

OUR LADY OF LOURDES CATHOLIC SCHOOL

WEDNESDAY NOTES

Our Faith in Action

Our virtue this month is HUMILITY. Some ways we can practice humility and urge our kids to do so are by serving others, being respectful, showing empathy, and being teachable.

Parent Information

Conferences:

Conferences are coming up on November 7th and 8th. Extended Care will be open during conference hours for students older than 2 years old who have turned in their extended care paperwork.

K-5 Conferences:

K-5 conference schedules will be coming home soon.

Middle School Conferences:

Middle school conferences are by teacher and parent request only. To request a conference, please call the school office.

Dental Screening

Parents of 2nd and 4th graders, please complete the dental screening consent form by Friday, October 25th.

Home and School

Home and school meets monthly on Monday evenings. Home and school has had low attendance for the past year or so. This organization is vital to some things we offer as a school.

Original Works

The original works order forms are coming home today. They are due on or before Friday, October 25th. Checks can be made out to Our Lady of Lourdes School.

Wagging Tails Drive

The Nieset children volunteer at the Maclean-Cameron Animal Adoption Center. For the month of October, they are running a drive, collecting items for dogs and cats. This is a competition, Dogs vs. Cats. Bins for items are in the front entryway.

Knights of Columbus - "Share the Warmth"

The Knights of Columbus are collecting socks, mittens, and hats for children in need in our community. A bin is in the entryway.

Parish Raffle Tickets

If you need more raffle tickets for the parish Harvest Raffle, we still have some in the office. The attached flyer has all the amazing raffle prizes!

Grades 2 + 4

Dear Parent/Guardian,

The Cascade City-County Health Department has partnered with volunteer dentists from the Fourth District Dental Society to provide free visual dental screenings in the elementary schools of Cascade County. Children in grades 1, 3, and 5 will be offered this free dental screening. The results will be sent home to let parents know if their child has any potential dental health issues. By maintaining good oral health through regular dental exams, we can help create a supportive learning environment for children to thrive.

If you wish for your child to participate in the oral health screening, the YES box below must be checked, and the form returned to your child's teacher tomorrow. Otherwise, check NO and your child will not be screened.

ORAL HEALTH SCREENING

Child's Name: _____ Child's Teacher: _____

- YES**, I want my child to receive a visual dental screening
- NO**, I do not want my child to receive a visual dental screening

Parent/Guardian Signature
